

1984

Nineteen eighty-four

In George Orwell's dystopian masterpiece, *Nineteen Eighty-Four*, the reader is plunged into a chilling totalitarian regime where surveillance, language manipulation, and psychological control dominate the human experience. Written in 1949, the novel employs a stark and unembellished prose style that mirrors the grim reality of its oppressive setting, with a narrative that intricately explores themes of individuality, truth, and resistance. Orwell's portrayal of the omnipresent Party, embodied in the chilling figure of Big Brother, serves as a profound commentary on the dangers of unchecked governmental power and the erosion of personal freedoms in the modern age. George Orwell, born Eric Arthur Blair in 1903, had firsthand experience with authoritarianism and social injustice, which deeply influenced his writing. His earlier works, including *Animal Farm*, reflect his commitment to political commentary and critique of totalitarian regimes. Orwell's experiences as a soldier in the Spanish Civil War and his observations of propaganda during World War II galvanized his vision for *Nineteen Eighty-Four*—a prescient warning of the deleterious effects of oppressive state control on the human spirit and democratic principles. Highly regarded for its moral urgency and intellectual depth, *Nineteen Eighty-Four* is an essential read for anyone interested in the interplay between power and individual freedom. This classic resonates today, urging contemporary readers to remain vigilant in the face of authoritarian tendencies and to cherish the fragile nature of truth and autonomy.

1984

75th ANNIVERSARY EDITION “Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power.”—The New Yorker In 1984, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be. Lionel Trilling said of Orwell's masterpiece, “1984 is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present.” Though the year 1984 now exists in the past, Orwell's novel remains an urgent call for the individual willing to speak truth to power.

Popular Science

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

New York Magazine

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

1984

This shocking exposé of a true-life Orwellian plot of nightmarish proportions reveals the chilling events of November 1984 following Indira Gandhi's assassination, and the cover-up by the Indian Government. For over three days, armed mobs systematically butchered, torched and raped members of the Sikh community in Delhi and other places, unchecked. The sheer scale of the killings exceeded the combined civilian death tolls of other conflicts such as Tiananmen Square and 9/11. In Delhi alone 3,000 people were killed. Thirty-three years on, the full extent of what took place has yet to be fully acknowledged. Based on victim testimonies and official accounts, this book exposes how the largest mass crime against humanity in India's modern history was perpetrated by politicians and covered up with the help of the police, judiciary and media. A book that posits fundamental questions, it will shake you to the core.

The Devil in the Belfry

»The Devil in the Belfry« is a short story by Edgar Allan Poe, originally published in 1839. EDGAR ALLAN POE was born in Boston in 1809. After brief stints in academia and the military, he began working as a literary critic and author. He made his debut with the novel *The Narrative of Arthur Gordon Pym of Nantucket* in 1838, but it was in his short stories that Poe's peculiar style truly flourished. He died in Baltimore in 1849.

1Q84

The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be

discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

Nationalism

Rabindranath Tagore (1861-1941) was the first Asian to win a Nobel Prize. Nationalism is based on lectures delivered by him during the First World War. While the nations of Europe were doing battle, Tagore urged his audiences in Japan and the United States to eschew political aggressiveness and cultural arrogance. His mission, one might say, was to synthesize East and West, tradition and modernity. The lectures were not always well received at the time, but were chillingly prophetic. As Ramachandra Guha shows in his brilliant and erudite Introduction, it was by reading and speaking to Tagore that those founders of modern India, Gandhi and Nehru, developed a theory of nationalism that was inclusive rather than exclusive. Tagore's Nationalism should be mandatory reading in today's climate of xenophobia, sectarianism, violence and intolerance.

The Ministry of Truth

Longlisted for the Baillie Gifford Prize for Non-Fiction Longlisted for the Orwell Prize for Political Writing The Ministry of Truth charts the life of George Orwell's 1984, one of the most influential books of the twentieth century and a work that is ever more relevant in this tumultuous era of 'fake news' and 'alternative facts'. 'Fascinating . . . If you have even the slightest interest in Orwell or in the development of our culture, you should not miss this engrossing, enlightening book.' – John Carey, The Sunday Times George Orwell's 1984 has become a defining narrative of the modern world. Its cultural influence can be observed in some of the most notable creations of the past seventy years, from Margaret Atwood's The Handmaid's Tale to the reality TV landmark Big Brother, while ideas such as 'thought police', 'doublethink', and 'Newspeak' are ingrained in our language. In the first book to fully examine the origin and legacy of Orwell's final

masterpiece, Dorian Lynskey investigates the influences that came together in the writing of 1984 from Orwell's experiences in the Spanish Civil War and in wartime London to his fascination with utopian and dystopian fiction. Lynskey explores the phenomenon the novel became when it was first published in 1949 and the changing ways in which it has been read over the decades since, revealing how history can inform fiction and how fiction can influence history. 'Everything you wanted to know about 1984 but were too busy misusing the word \"Orwellian\" to ask.' – Caitlin Moran

George Orwell's 1984

William Schnabel's George Orwell's 1984 is a literary analysis of George Orwell's most widely read novel, Nineteen Eighty-Four. William Schnabel's book defines totalitarianism, discusses the composition of the novel, the sources Orwell used to write Nineteen Eighty-Four, Orwell's autobiographical experience, the theme of hate in the novel, the mutability of history, language in Oceania, Big Brother and Joseph Stalin, Emmanuel Goldstein, the proles (the lower classes), and the two lovers, Winston Smith and Julia. The book

includes an introduction, a conclusion, a bibliography, and an index. George Orwell's 1984 is intended to be a literary guide for all readers, young or old, for a deeper understanding of Orwell's most important work. No prior knowledge of Nineteen Eighty-Four is necessary.

1984

A chilling eyewitness account of the anti-Sikh violence Sanjay Suri was a young crime reporter with The Indian Express newspaper in New Delhi when Prime Minister Indira Gandhi was assassinated by her bodyguards on 31 October 1984. He was among the few journalists to experience the full horror of the anti-Sikh violence that followed and carried on unchecked for the next couple of days, while the police looked the other way. He saw a Congress MP demanding the release of party workers who had been arrested for loot. He had a narrow escape from a gang of killers while out reporting. He later filed affidavits that included eyewitness accounts relating to two Congress MPs, and confronted former Prime Minister Rajiv Gandhi at an election rally. Suri also testified before several commissions of inquiry set up to investigate the massacres--- though very little came of these. In this book, he brings together a wealth of fresh revelations, arising from his own experiences, and from extensive interviews with police officers then in the front line of facing the violence. Humane but chilling, Suri's account is backed by a thorough examination of existing records and the provisions of the Indian legal system. Taking a close look at the question of the Congress hand behind the brutalities and why the survivors continue to wait for justice even thirty years later, 1984: The Anti-Sikh Violence and After remains urgent even today. It combines expert reportage with gripping recollections to tell a riveting story, leaving us disturbed and moved in equal measure.

Field & Stream

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Holy Bible (NIV)

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the

largest library of printed and electronic support material of any modern translation.

Vineland

"Quite simply, one of those books that will make this world - our world, our daily chemical-preservative, plastic-wrapped bread - a little more tolerable, a little more human." - Frank McConnell, Los Angeles Times Book Review "Later than usual one summer morning in 1984 . . ." On California's fog-hung North Coast, the enchanted redwood groves of Vineland County harbor a wild assortment of sixties survivors and refugees from the "Nixonian Reaction," still struggling with the consequences of their past lives. Aging hippie freak Zoyd Wheeler is revving up for his annual act of televised insanity when news reaches that his old nemesis, sinister federal agent Brock Vond, has come storming into Vineland at the head of a heavily armed Justice Department strike force. Zoyd instantly disappears underground, but not before dispatching his teenage daughter Prairie on a dark odyssey into her secret, unspeakable past. . . . Freely combining disparate elements from American popular culture—spy thrillers, ninja potboilers, TV soap operas, sci-fi fantasies—Vineland emerges as what Salman Rushdie has called in The New York Times Book Review "that rarest of birds: a major political novel about what America has been doing to itself, to its children, all these many years."

Ebony

In *Homage to Catalonia*, George Orwell recounts his experiences fighting in the Spanish Civil War as a member of the POUM militia. Orwell provides a firsthand, gritty depiction of the war's complexities, including the internal strife within the Republican factions and the disillusionment that followed the eventual suppression of the anarchist and socialist movements by the Stalinist-backed forces. Orwell's personal reflections offer a stark critique of totalitarianism and the dangers of ideological fanaticism, as well as a poignant exploration of the individual's struggle to maintain integrity and moral clarity in the face of oppressive forces. *Homage to Catalonia* serves as a testament to the power of firsthand witness and the importance of bearing witness to injustice, even when the truth is inconvenient or uncomfortable. GEORGE ORWELL was born in India in 1903 and passed away in London in 1950. As a journalist, critic, and author, he was a sharp commentator on his era and its political conditions and consequences.

New York Magazine

George Orwell's paean to the end of an idyllic era in British history, *Coming Up for Air* is a poignant account of one man's attempt to recapture childhood innocence as war looms on the horizon. George Bowling, forty-five, mortgaged, married with children, is an insurance salesman with an expanding waistline, a new set of false teeth - and a desperate desire to escape his dreary life. He fears modern times - since, in 1939, the Second World War is imminent - foreseeing food queues, soldiers, secret police and tyranny.
